

# International Journal of Food Engineering

## CONTENTS

---

### Volume 5, Number 2, June 2019

- Effect of High Molecular Weight Maltodextrin and Spray Drying Conditions for Developing an Encapsulated Noni Juice Powder.....92  
*Preethi Ramakrishnan, Sayantani Dutta, Jeyan A Moses, and Anandharamakrishnan C*
- The Policosanol Extraction and Composition Characterization from Wheat Straw By-Product of Thai Wheat Varieties.....99  
*Anakhaorn Srisaipet, Pattita Luangpitak, and Phonsawan Potisen*
- Cheese Analogue-Making Process Using Microbial Transglutaminase: Effects on Texture and Syneresis.....104  
*Ana M. Cadavid, Laia Bohigas, Mónica Toldrà, Dolors Parés, Carmen Carretero, and Elena Saguer*
- Liposomal Encapsulation of  $\alpha$ -lipoic Acid as a Food Supplement..... 111  
*Sayantani Dutta, Pintu Choudhary, Moses J. A., and Anandharamakrishnan C*
- The Study of Drying Condition for Local Dried Fermented Soy Bean (Thua Nao) ..... 116  
*Sureewan Rajchasom, Janyawat Vuthijamnonk, Nattavipa Seelum, and Suttida Takonkwea*
- Extrusion-Based Multiple Material Mixer Design in Food Printing .....121  
*Jie Sun and Daniel Peng Zhuo*
- Production of Tofu Using Electrocoagulation Technique for Protein Precipitation.....127  
*Yardfon Tanongkankit and Parin Khongkrapan*
- PLS Modeling the Starch Contents of Corn Data Measured Through Different NIR Spectrometers .....132  
*Tahir Mehmood*
- Effects of Replacement of Sucrose by Maltitol on the Physicochemical and Sensorial Properties of Rose Apple Jam.....136  
*Natthaporn Chatchavanthatri, Tiraporn Junyusen, Weerachai Arjharn, Pornpimol Moolkaew, and Siriporn Sornsomboonsuk*
- The Association of Balanced Nutrition Practices with Stunting Among Adolescent Girls in School .....141  
*Sitti Patimah, Amrah Husma, and Sundari*
- Encapsulation of Gac Powder Extract and Its Application in Low-Nitrite Chicken Sausage .....146  
*Nachayut Chanshotikul and Bung-Orn Hemung*
